

Pure Goodness.

Zemea® USP-FCC propanediol is a pure, naturally derived ingredient for food and beverage products, as well as a carrier for flavors and extracts. It offers formulators the potential for reduced bitterness and overall improved sweetness perception in their final products. Additional functions include taste modifier, humectant, extraction solvent, and diluent.

Purity Guarantee: Zemea® USP-FCC propanediol is a clear, colorless, water-soluble liquid that contains no added preservatives, petroleum-based ingredients, or animal by-products.
